

# ANTRIX CORPORATION LIMITED

ANTRIX has contributed to several initiatives for containing the spread of COVID-19. The company has made contributions of INR 5 crores to PM Cares Fund and INR 50 lakhs to CM's Distress Fund.

Apart from conducting vaccination drives for its employees and their families, ANTRIX sponsored a free vaccination camp, in association with SSK Sanaj Youth Association, to inoculate 1100 underprivileged people living in Vijayanagar area in Bengaluru.

Last year, during the early phases of COVID -19, the company organised an awareness program to sensitize its employees and curb the spread in the workplace. A Standard Operating Procedure, based on COVID appropriate behaviour, has been prepared for commencement of work after the lock down period.
