

BARC INDIA

BARC India has collaborated with Goonj's Rahat COVID Relief Fund wherein employees of the company have made voluntary contributions. The company has created a COVID relief emergency fund to provide financial assistance to employees for COVID related medical emergencies. It is facilitating 24X7 online/teleconsultation, providing vaccination reimbursement to employees for self and family members and also organizing workshop for managing stress and anxieties. The company has rolled out an Employee Medical Insurance cover, a voluntary "top-up" plan to enhance the cover for Self, Spouse, Children and Dependent Parents. In addition, it has collaborated with Times Network for assisting employees in setting up home isolation/care with nursing support and is providing hospitalization support wherever required. Through its Wellbeing Fridays & Pens Down extended weekends initiative, BARC India is enabling its employees to spend more quality time and connect with family and friends.
