

# CADILA PHARMACEUTICALS LIMITED

Cadila, along with other organizations such as Indian Red Cross Society and its CSR wing Indrashil Kaka-Ba & Kala Budh Public Charitable Trust, set up a free COVID Care Centre at Dholka and its hospital Kaka-Ba, Gujarat, with medicine and oxygen support. 1500 OPD COVID patients received treatment while 150 patients received in house treatment.

The company, in association with Akshaya Patra Foundation, sponsors mid-day meals for 14,855 students in 38 Government Primary Schools of Ahmedabad and Gandhinagar districts. During the lockdown, it carried out distribution of essential food items to students who were missing out on mid-day meals. Medical camps were organized for front line workers and more than 18,000 essential kits with sanitisers and masks were distributed to them and the local communities, in Ahmedabad and Gandhinagar districts.

Further, Cadila's office in Ethiopia donated 7000 bottles of sanitizers to the Indian Embassy in Ethiopia. The company has also undertaken initiatives to enhance health and wellbeing of its staff and is ensuring safety at the workplace.
