GOVERNMENT OF TELANGANA**

D.O.Lr.No.05/CSP/2021, Dated 10.04.2021

Dear Sir,

I would like to inform you that COVID-19 vaccination has been ramped up in Telangana. Due to concerted efforts, the number of vaccinations in the state in one day crossed 1.15 lakh yesterday.

2. In the coming days this will be enhanced to over 2 lakh per day.
3. As you are aware, Telangana State is left with only 5.66 lakh doses of vaccine which would last for 3 days at maximum .
4. Therefore, I would like to request you to urgently provide at least 30 lakh doses of vaccine to Telangana for the next 15 days.

Kind regards,

Yours sincerely,
