

ESAF SMALL FINANCE BANK

ESAF SFB along with ESAF Foundation has adopted a three-dimensional approach to equip communities to combat the second wave of COVID:

- Developing first line COVID Care Centres with the support of local hospitals and local self-government institutions
- Equipping rural hospitals with ventilators and additional facilities
- Organising vaccine awareness sessions and vaccination camps

The bank has provided essential lab equipment for PHC Nadathara, Thrissur, Kerala. Along with the District Health officials, the bank also organised a free vaccination camp on 26-27 April at Thrissur, at which 1300 people were vaccinated, mostly senior citizens.
