

GRIFFINS INTERNATIONAL SCHOOL

Griffins International School has tied up with the local community to set up a 50 bed COVID Care home in Midnapur, West Bengal. The facility will cater to patients with mild infections. The school is also supporting setting up of an oxygen bank of 100 oxygen cylinders, at Kharagpur and Midnapur, for supporting patients under home isolation. Further, the school has setup a mental wellbeing helpline for the parents and students to help them tide over the mental anxieties.
