

KHS MACHINERY PRIVATE LIMITED

As a part of its CSR initiatives, KHS has donated 44 Oxygen Concentrators to multiple organisations including Kheda District Administration; Community Health Center at Kapadwanj; Singarva Sub district hospital, Ahmedabad; Aneri Desai Welfare Trust and Samved Hospital, Ahmedabad.

The company provided financial support to the B.M Institute of Mental Health for sanitization of the premises and provision of masks and other facilities. It extended financial support to Dardionu Rahat Fund for procuring masks and sanitizers for frontline warriors. The company also distributed medicines to poor and needy patients in various general hospitals in Ahmedabad.

Through NGOs, the company has reached out to the vulnerable sections of the society. It extended financial support to Yuva Unstoppable for providing Corona Warrior kits to 500 frontline health care workers and their families; to Aneri Desai Welfare Trust to cater to the necessities of 400 homeless people; to Akshaya Patra Foundation for 25000 meals to daily labourers and pandemic affected people in Ahmedabad. In addition, KHS supported the administration at Daskroi for distributing 300 grocery kits to daily wage workers and the Ahmedabad Municipal Corporation for distributing 1000 kits to Migrant worker families.
