# NTPC conducts Vaccination Drive at SCOPE Complex

Posted On: 04 JUN 2021 4:49PM by PIB Delhi

To combat second wave of COVID Pandemic and ensure safety and good health of its employees, their family members and associates, NTPC a Maharatna CPSU under Ministry of Power has been organising Vaccination drives at its various locations and offices.

A total number of 2013 persons have been vaccinated at NTPC SCOPE Office in New Delhi, over five days in a phased manner. The vaccination process was conducted under strict COVID protocol.

NTPC has already vaccinated over 70,000 of its employees, workers and their family members across its operations. NTPC aims to cover all eligible employees and their dependents under the protection of the vaccine. The vaccination drive has been running across 72 locations of NTPC which includes the JVs and subsidiaries.
