

PI INDUSTRIES

PI has undertaken numerous initiatives including providing oxygen equipment, awareness on health and safety, provision of food, sanitizers and sanitization drives. It has rolled out a project for setting up of 5 oxygen plants across 5 hospitals in Gujarat, Rajasthan, Haryana and Delhi. Additionally, it has provided financial assistance to the Udaipur Chamber of Commerce and Industry (UCCI) for procuring oxygen concentrator machines. The company has been involved in mass sanitization drives covering 34 districts across Andhra Pradesh, Telangana, Punjab, Haryana, Gujarat, Rajasthan and Delhi-NCR region.

PI Industries INITIATIVES

To set up 5 oxygen plants across 5 hospitals in

-  **Gujarat**
-  **Rajasthan**
-  **Haryana**
-  **Delhi**

 **Mass sanitization drives covering 34 districts**

 **Distributed 12,500 kits**

The company distributed sanitizers made at its Gujarat plant, around its plant locations in Gujarat and Rajasthan, benefitting over 30,000 households. Additionally, 100,000 litres of sanitiser were used to disinfect entire villages near PI's plant operations in Jambusar and Panoli, Gujarat. PI has also been distributing ration kits to migrant and daily-wage labourers around its plant locations in Gujarat. More than 12,500 kits have been distributed so far.

PI Foundation continues to conduct awareness campaigns on handwashing, social distancing and basic hygiene, through its 3 Mobile Medical Vans around

its Jambusar and Panoli plants in Gujarat, reaching out to more than 30,000 people across 64 villages. The company has distributed 70,000 masks across the country through PI's women empowerment programme, providing additional livelihood opportunities. It has provided PPE kits and masks for patients and frontline workers to Al-Mahmood General Hospital and Jayaben Mody hospital in Gujarat. The company organised webinars for 11,000 farmers, educating them on do's and don'ts for harvest, threshing and post-harvest storage of farm produce in the wake of Covid-19 pandemic.
