

# TATA GROUP

Tata Sons has joined hands with different Tata Group Companies to respond to the second wave of Covid 19 as explained below:

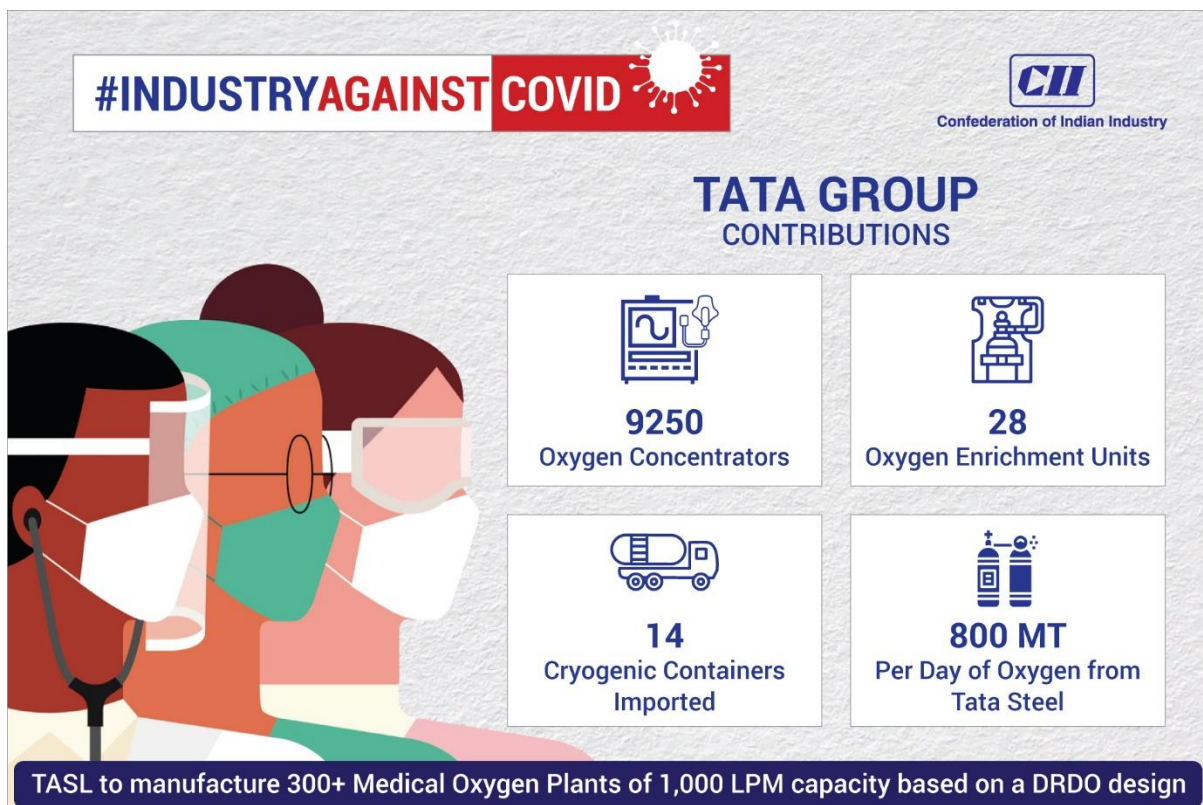

- **Medical Supplies:** Tata Sons has initiated the action on procuring medical consumables like PPEs, 3 Ply Masks, N95 Masks etc on request from various organisations in India and abroad through Group Companies. Till now, 3.15 Lakh N95 Masks, 20 K PPE Kits and 15K Oxymeters have been ordered and are being distributed to various beneficiaries as per respective supply schedules. 200 Medtronic PB-560 ventilators are being integrated and will be donated to beneficiaries.

- **Care Infrastructure:** Hospital and care infrastructure in three existing facilities in Mumbai is being augmented to suit the needs of the beneficiaries.
- **Oxygen Support:**
  - **Medical Equipment:** 9250 Oxygen Concentrators have been ordered for distribution from suppliers globally. 28 Oxygen

Enrichment Units of varying capacity have also been ordered to be installed at care facilities.

- *Oxygen Supply and Transport*: 14 nos of cryogenic containers for oxygen have been imported and put into circulation and we are in the process of arranging another 40 nos. 800 MT per day of Oxygen is being supplied by Tata Steel.
- *Manufacture of Pressure Swing Adsorption Oxygen Plants*: TASL will be manufacturing 300+ Medical Oxygen Plants of 1,000 LPM capacity based on a DRDO design.

- *Isolation Facilities by Indian Hotels Company Ltd (Taj Group)*: Inventory of over 1,000 hotel rooms converted to quarantine facilities in Mumbai, Bangalore, Delhi, Hyderabad, Pune, Indore, Guwahati, Chennai and Pantnagar. Another 500 rooms in Mumbai, Bangalore, Delhi, Ahmedabad, Lucknow and Faridabad are under discussion and will be added shortly. Micro-website displaying quarantine room availability across properties is live <https://www.tajhotels.com/en-in/covid-care/> and is updated daily. IHCL has initiated provision of meals to healthcare workers in Mumbai and Delhi.
