

# THE SOUTHERN GUJARAT CHAMBER OF COMMERCE AND INDUSTRY (SGCCI)

SGCCI has set an oxygen bank with 100 oxygen cylinders and efforts are being made to increase this to 300 cylinders. It has provided 25 BIPAP machines to New Civil Hospital. Further, 1200 food packets along with snacks were provided to doctors, nurses, hospital staff and ambulance drivers of New Civil Hospital and Simmer Hospital for several days.

During night curfews, SGCCI arranged four wheelers to facilitate commute of passengers from railway station to their residence. Under its Corona Jagruti Abhiyan, it organized public awareness rallies and conducted webinars and medical conferences on topics related to COVID-19.

During the initial days of the pandemic, SGCCI distributed around 1.5 lakh masks and 2,000 hand sanitizer bottles to the workers, labourers and passengers at Railway Station. It distributed 400 traffic barricades in mini and micro contentment zones.

In addition to providing books for patients to read, SGCCI organized live musical events at COVID Isolation Centres to create a positive environment.
