

TVS MOTOR COMPANY

TVS Motor Company has pledged INR 40 crore, along with Sundaram Clayton and its group companies, to support nationwide efforts to curb the spread of the COVID-19 pandemic. The funds will be utilised to provide life-saving supplies such as oxygen concentrators, PPE kits, medicines and medical equipment across the country. The initiative is undertaken by Srinivasan Services Trust (SST), the social arm of TVS Motor Company and Sundaram Clayton Ltd. Earlier, TVS Motor Company had announced a contribution of INR 60 crore towards relief efforts across various states during the first wave of the COVID-19 pandemic. Over the past year, the company has provided close to 2 million food packets and over 1 million face masks to healthcare and essential services workers.
