TVS Supply Chain Solutions Limited INITIATIVES

Spent **Rs 50 lakh** across multiple COVID relief initiatives

To spend **Rs 3 crore** in upcoming three months

Supporting hospitals & patients in
Karnataka | Maharashtra | Tamil Nadu | Haryana

TVS has spent approximately INR 50 lakh across multiple COVID relief initiatives and plans to spend INR 3 crore in the upcoming three months. It is supporting hospitals in Karnataka with critical and non-critical hospital equipment. Steps to deliver oxygen cylinders to hospitals in Tamil Nadu have also been taken. The company is proactively testing at its operating locations and quarantining positive patients in Karnataka, Maharashtra, Tamil Nadu, and Haryana. TVS plans to bear the costs of vaccinating all its employees and is providing healthcare advice to its employees. The company is taking action to spread communication about COVID-19 appropriate behaviour at a pan-India level.
