

VISHAKHA GROUP

Apart from donating Rs 51 Lacs to COVID Relief funds, the Vishakha Group distributed Arsenic Album Tablets, an immunity booster, to approx. 2 lacs families and planned to step up this initiative by further distributing 4 crore additional tablets to the community. Further, the company provided oxygen cylinders to Adani Vidya Vihar & Krishna Hospital and distributed over 4500 high barrier transparent deceased body covers at various hospitals.

For the employees, the company arranged vaccination camps and mask distribution as also provided for Covid insurance.
