

## **WOLKEM AND FIMAKEM INDIA LIMITED**

Wolkem Group Companies have rolled out several programs specially for the economically vulnerable and frontline workers. The group has extended financial support to the Udaipur Chamber of Commerce and Industry (UCCI) for procuring ten oxygen concentrator machines and donated oxygen cylinders along with the accessories to SDM, Pindwara, Sirohi in Rajasthan. It has provided sanitizers, masks, soaps and PPE kits for the frontline healthcare workers and nearly 1000 households through the District Administration of Sirohi Road and Amliya in Rajasthan and Anakapalli, in Andhra Pradesh. In addition, food kits and grocery items have been distributed to nearly 1000 villagers and migrants at Sirohi Road; Khera Mines, Udaipur; Amliya, District-Pali, Rajasthan and Bhadrachalam, District- Khammam (Telangana). Further, the group has donated 1000 COVID Test Kits to Government Hospitals, Pindwara, Sirohi (Rajasthan). On request from District Administration, Wolkem has arranged to shift the dead bodies of migrant laborer's who died of COVID from Pindwara (Rajasthan) to their native place in Bihar. Employees of the group have come forward to generously donate to State Government's CM-Corona Relief Fund.
