

## ZENTIVA INDIA

Under its Flagship program of #Help Zentiva Win and “WE CARE”, Zentiva donated three ventilators to Shrimati Jayaben Modi Hospital, Gujarat. Further, the company has planned to donate two oxygen plants to local hospitals.

Zentiva organized a vaccination camp in April 2021 for its employees and contract workmen covering almost 80% manpower. All necessary support on medical treatment has been provided to employees and their family through 24x7 medical counselling by site OHC. The company’s site is being operated with utmost care and safety and hygiene guidelines are being adhered to.
