

ZUARI AGRO CHEMICALS LIMITED (ZACL)

To complement Goa's efforts in combating COVID-19, ZACL extended financial support to Chief Minister's Relief Fund and supported five public health facilities with Oxygen Cylinders and set up of PSA Oxygen Plants.

The company reached out to more than 2,000 individuals in vulnerable communities around its plant location in Goa and conducted door-door awareness campaigns on prevention and control, organized health camps, distributed hygiene kits (soap, masks, sanitizer etc.), and dry ration to the most vulnerable sections of the population in Zuarinagar, Goa.

ZACL converted its Jai Kisaan Club house into a state-of-the-art 'COVID Care Centre and equipped it with necessary boarding and lodging facilities for its 160 COVID-positive contract workers. A fully equipped medical staff comprising of a doctor and nurses on 24x7 call and an ambulance unit with PPE kits, sanitizers, full suits etc. were made available at the centre. The centre has later been converted to a temporary residential shelter for its workers. The company has also organized on-site free vaccination camp for its workforce.

The company has formalized and standardized operating procedures, processes, and tools on COVID to ensure safety of staff in office and in its manufacturing units.
